1. AN INTRODUCTION TO PAIA

The Promotion of Access to Information Act, 2000 ("**PAIA**") came into operation on 9 March 2001.

PAIA seeks, among other things, to give effect to the Constitutional right of access to any information held by the State or by any other person where such information is required for the exercise or protection of any right and gives natural and juristic persons the right of access to records held by either a private or public body, subject to certain limitations, in order to enable them to exercise or protect their rights.

PAIA sets out the requisite procedural issues attached to information requests, including the obligation to compile a PAIA Manual.

Section 51 of PAIA obliges private bodies to compile a manual to enable a person to obtain access to information held by such body and stipulates the minimum requirements that the manual has to comply with.

Where a person is desirous of obtaining information from a private body, in terms of PAIA such request must be made in the format as prescribed and described under the private body's PAIA Manual, and following receipt of the request, such private body must disclose the information if the requester is able to show that the record is required for the exercise or protection of any rights, and provided that no grounds of refusal contained in PAIA are applicable.

2. OUR PAIA MANUAL

This Manual constitutes RENTTECH SOUTH AFRICA (PTY) LTD's PAIA Manual.

This Manual is compiled in accordance with section 51 of **PAIA** as amended by the Protection of Personal Information Act, 2013 ("**POPIA**"), which gives effect to everyone's Constitutional right to privacy and largely commenced on 1 July 2020.

POPIA promotes the protection of personal information processed by public and private bodies, including certain conditions so as to establish minimum requirements for the processing of personal information.

POPIA amends certain provisions of PAIA, balancing the need for access to information against the need to ensure the protection of personal information by providing for the establishment of an Information Regulator to exercise certain powers and perform certain duties and functions in terms of POPIA and PAIA, providing for the issuing of codes of conduct and providing for the rights of persons regarding unsolicited electronic communications and automated decision making in order to regulate the flow of personal information and to provide for matters concerned therewith.

This PAIA manual also includes information on the submission of objections to the processing of personal information and requests to delete or destroy personal information or records thereof in terms of POPIA.

For purposes of this Manual, we refer to ourselves as RENTTECH SOUTH AFRICA (PTY) LTD, "we", "us" or "our".

We have compiled this Manual to inform you of, and guide you through, the procedural and other requirements with which a PAIA or a POPIA request must comply.

13.11 Section 54 of PAIA entitles RENTTECH SOUTH AFRICA PTY LTD to levy a charge or to request a fee to enable it to recover the cost of processing a request and providing access to records. The fees that may be charged are set out in Regulation 9(2)(c) promulgated under PAIA.

13.12 Where a decision to grant a request has been taken, the record will not be disclosed until the necessary fees have been paid in full.

13.13 Requests will be processed within 30 (thirty) days, unless the request contains considerations that are of such a nature that an extension of the time limit is needed.

13.14 Should an extension be required, you will be notified, together with reasons explaining why the extension is necessary.

14. GROUNDS FOR REFUSAL OF ACCESS AND PROTECTION OF INFORMATION

14.1 There are various grounds upon which a request for access to a record may be refused. These grounds include:

- the protection of personal information of a third person (who is a natural person) from unreasonable disclosure;
- the protection of commercial information of a third party (for example: trade secrets; financial, commercial, scientific or technical information that may harm the commercial or financial interests of a third party);
- if disclosure would result in the breach of a duty of confidence owed to a third party;

<p>PAIA MANUAL</p> 	<p>REVISION NUMBER 002</p> <p>POPIA Updates</p> <hr/> <p>EFFECTIVE DATE</p> <p>1 JULY 2021</p>

- if disclosure would jeopardise the safety of an individual or prejudice or impair certain property rights of a third person;
- if the record was produced during legal proceedings, unless that legal privilege has been waived;
- if the record contains trade secrets, financial or sensitive information or any information that would put RENTTECH SOUTH AFRICA PTY LTD at a disadvantage in negotiations or prejudice it in commercial competition; and/or
- if the record contains information about research being carried out or about to be carried out on behalf of a third party or by RENTTECH SOUTH AFRICA PTY LTD.

14.2 Section 70 of PAIA contains an overriding provision. Disclosure of a record is compulsory if it would reveal (i) a substantial contravention of, or failure to comply with the law; or (ii) there is an imminent and serious public safety or environmental risk; and (iii) the public interest in the disclosure of the record in question clearly outweighs the harm contemplated by its disclosure.

14.3 If the request for access to information affects a third party, then such third party must first be informed within 21 (twenty one) days of receipt of the request. The third party would then have a further 21 (twenty one) days to make representations and/or submissions regarding the granting of access to the record.

15. REMEDIES AVAILABLE TO A REQUESTER ON REFUSAL OF ACCESS

15.1 If the Information Officer decides to grant a requester access to the particular record, such access must be granted within 30 (thirty) days of being informed of the decision.

15.2 There is no internal appeal procedure that may be followed after a request to access information has been refused. The decision made by the Information Officer is final. In the event that you are not satisfied with the outcome of the request, you are entitled to apply to the Information Regulator or a court of competent jurisdiction to take the matter further.

<p>PAIA MANUAL</p> 	<p>REVISION NUMBER 002</p> <p>POPIA Updates</p> <hr/> <p>EFFECTIVE DATE</p> <p>1 JULY 2021</p>

15.3 Where a third party is affected by the request for access and the Information Officer has decided to grant you access to the record, the third party has 30 (thirty) days in which to appeal the decision in a court of competent jurisdiction. If no appeal has been lodged by the third party within 30 (thirty) days, you must be granted access to the record.
